(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

PANTECH PROED PVT LTD - COMPANY PROFILE

PANTECH PROED PVT LTD is an amalgamation of best practices and competencies brought in by leading professionals on some of the most renowned names of the corporate world. Knowledge drives us over the past decades; PANTECH PROED PVT LTD has provided specialized knowledge services to a wide range of industry verticals. This puts us in a unique position where we are able to not only deliver cutting edge solutions but also help build in-house competencies of our clients, be it in the knowledge services domain or a part of our enterprises services.

Our R&D staff with rich and vivid experience work round the clock with innovative skills, updated software technologies and perfect interpersonal learning, which makes this division an unique one. Our researchers utilize advanced search techniques, and carry out research on many search engines and other search tools on the World Wide Web. We undertake all kinds of custom research needs also.

PANTECH PROED PVT LTD holds a very close tie-up with most of the institutions. It's one of the best approved companies in Hyderabad for students In-Plant Training, FDP, Internship Training, Final Year projects, Placement Training Technology and Training.

SAMSKRUTI COLLEGE OF ENGINEERING AND TECHNOLOGY Kondapur (V), Ghatkesar (M), Medchal (D) Samskruti Engineering college is located in pollution free environment and natural surroundings at Kondapur Village, Ghatkesar Mandal, Medchal Dist (old Ranga Reddy Dist). It is 1 Kilometer away from the Hyderabad-Warangal highway near by Ghatkesar and 18 kms from Secunderabad/Hyderabad and connected by TSRTC Bus Routes from various prominent localities of Twin Cities.

Samskruti College of Engineering and Technology, in its 14 years of existence, is a reputed institution in the State of Telangana. The College follows the University norms and has required number of faculty in both ratio and cadre wise. Samskruti College of Engineering and Technology has emerged into a center of excellence in engineering education.

SMSK continues to strive to be a learning hub for students and equips them with on-demand skills to be readily employable in diversified career pathways. Courses: ECE & EEE

WHEREAS:

- A) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- B) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- C) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- D) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO- OPERATION

1.1 The MOU is for collaboration between both parties, for mutual benefit, for many purposes, to enhance the quality of educational experience to the students.

PRM CIPAL
SAMSKRUTI COLLEGE OF
ENGINEERING AND TECHNOLOGY
Kondapur (V), Ghatkesar (M), Medchal (D)

- 1.2 Both the parties shall take all reasonable steps to ensure successful completion of the collaboration and cooperate with each other, duly carrying out the obligation agreed upon.
- 1.3 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.4 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 Skill Development Trainings: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.3 Value Added Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready. Both Parties have agreed to carry out the joint research activities in the fields of AI, ML Embedded Systems, loT, VLSI, Electric Vehicle, Renewable Energy, Software Domains and any technology domains that the Second Party has expertise through.

 Kondapur (V), Ghatkesar (M), Meddehal (E)

2.4 Research and Development: Both Parties have agreed to carry out the joint research activities in the above fields

2.5 Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students into internships / jobs.

2.6 Internship: Second Party will engage and train the students as per the industrial demands in terms on Internship Programs

2.7 **Projects and Research Work:** Second Party will provide the necessary support to the student's community to complete their projects and the research works.

CLAUSE 3 LIMITATIONS AND WARRANTIES

3.1 Each party shall ensure that the other is not put to any liability for any actions.

3.2 Each party represents that they have the full power and authority to enter into MOU in general.

CLAUSE 4 VALIDITY

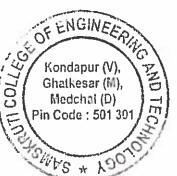

4.1 The MOU shall be valid for a period of I year from the date and each party shall be at full liberty either to renegotiate or terminate the collaboration with a notice period of 60 calendar day's notice in writing.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdictions

MEMORANDUM OF UNDERSTANDING

BETWEEN

VARDHAMAN COLLEGE OF ENGINEERING, HYDERABAD 501218

And

SAMSKRUTI COLLEGE OF ENGINEERING AND TECHNOLOGY, HYDERABAD 501301

This MoU is signed on the 27 day of November 2019 between Vardhaman College of Engineering (Mentor institute), Hyderabad and Samskruti College of Engineering and Technology (hereinafter called Mentee Institute) Hyderabad.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

1. Margdarshan (Share and Mentor Institutions) is one of AICTE Quality Improvement schemes. The scheme envisages that a Hub 'n Spoke system is to be established by an Institute of repute as a Mentor within an existing facility to serve as the hub (Mentor) to guide and disperse knowledge to ten technical institutions to encourage best practices. The secondary branches, the spokes, are additional services provided to faculty for self-improvement. Eventually, the Hub 'n Spoke system will allow for inter hamlet information sharing, such as helping mentee institutes to improve their quality parameters and enable them to get accreditation by NBA.

> PRIN SIPAL SAMSKRUTI DOLLEGE OF ENGINEERING AND TECHNOLOGY Kondapur (V), Ghatkesar (M), Medchal (D)

- 2. The objective of MOU is to facilitate the development of collaborative and mutually beneficial programs which serve for technical upliftment of both campuses. They are:
 - a) To promote and enhance academic interaction between mentor and Mentee institutes.
 - b) To share and implement best practices for enhancing quality of teaching learning
 - c) To conduct FDPs for the benefit of teachers of institutes.
 - d) To conduct training programs for the benefit of non-teaching staff of Institutes.
 - e) To provide help in developing NBA process and program (s) accreditation.
- 3. This MOU shall remain effective from the date of execution until the end of the term of three (3) years. This also may be amended, terminated or extended by agreement between the two parties as approved by the AICTE or institutes.
- 4. The activities under this program shall be conducted either at mentor or at Mentee institutes,
 - a) The expenditure incurred for the activities under the scheme shall be met as per prescribed norms given by AICTE.
 - b) Each institute shall depute at least one and maximum three members for each of the faculty development / training programs planned by Mentor institute, except when the program has no relevance to institute concerned.
 - c) The mentee institute shall submit details of quality improvement, outcome attainments, Self-Assessment Report, evaluation report and accreditation certificates of programs by NBA as when the program is conducted/ accredited within one week to the mentor institute.
- 5. The Mentee Institutes shall depute a faulty member (atleast of the level of Associate Professor) who will be responsible to plan, co-ordinate and implement activities at their institute.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as 'MOU') is entered into on this on (15-08-2019) by and between

SAMSKRUTI COLLEGEOF ENGINEERING AND TECHNOLOGY, Hyderabad Telangana 501301 Represented herein by its DR. J. Govardhan (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

GLOBAL E SMART TECHNOLOGIES, Sreemaan Rama Towers, 4Th Floor, Flat: 411, Kamala Nagar, Hyderabad, Telangana-50060 and represented herein by its Director Mr. Vikram, (herein after referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

ENGINEERING AND TECHNOLOGY Kondapur (V), Ghatkesar (II), Haddhal (D)

Global E Smart Technologies is a group of expert specialists, consultants and designers experienced in everything IT related. Our mission is to give inventive and supportable arrangements while creating enduring customer connections. Our vision is to set another benchmark in data innovation empowered administrations.

SAMSKRUTI COLLEGE OF ENGINEERING AND TECHNOLOGY:

Founded in 2005 by st. Vincent Educational Society, Samskruti College of Engineering and Technology represents a rich tradition of excellence in technology-based education. A premier-league institution among the affiliates of JNTUH University,

Samskruti Engineering college is located in pollution free environment and natural surroundings at Kondapur Village, Ghatkesar Mandal, Medchal Dist (old Ranga Reddy Dist). It is 1 Kilometer away from the Hyderabad-Warangal highway near by Ghatkesar and 18 kms from Secunderabad/Hyderabad and connected by TSRTC Bus Routes from various prominent localities of Twin Cities.

Samskruti College of Engineering and Technology, in its 14 years of existence, is a reputed institution in the State of Telangana. The College follows the University norms and has required number of faculty in both ratio and cadre wise. Samskruti College of Engineering and Technology has emerged into a center of excellence in engineering education.

SMSK continues to strive to be a learning hub for students and equips them with on-demand skills to be readily employable in diversified career pathways. Courses: ECE & EEE

- A) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- B) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- C) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- D) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO- OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another NGINEERING AND TECHNOLOGY Kondapur (V), Ghatkesar (M), Medchaf (D)

1.2 First Party and Second Party co-operation will facilitate effective

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 Curriculum Design: First & Second Party will share valuable inputs to the in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 Skill Development Trainings: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit

The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4 Value Added Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready. Both Parties have agreed to carry out the joint research activities in the fields of AI, ML, Embedded Systems, IoT, VLSI, Electric Vehicle, Renewable Energy, Software Domains and any technology domains that the Second Party has expertise through.
- 2.5 Research and Development: Both Parties have agreed to carry out the joint research activities in the above fields
- 2.6 Guest Lectures & Faculty Development Programs: Second Party to extend the necessary support to deliver guest lectures and coordinate Faculty Development Programs to the Staffs and student community, who have / will enroll with the First Party on the technology trends and in house requirements.
- 2.7 Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students into internships / jobs.

 SAMSKRUTICOLLEGE OF
- 2.8 Internship: Second Party will engage and train the students as per the industrial demands in terms on Internship Programs
- 2.9 Projects and Research Work: Second Party will provide the necessary

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to knowhow, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for a period of 1(ONE) years until it is expressly terminated by either Party on mutually agreed terms, during which period, either parties, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of either parties after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

SAMSKRUTI COLLEGE OF ENGINEERING AND TECHNOLOGY Kondapur (V), Ghatkesar (M), Medchal (D)

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdictions

2.9 **Projects and Research Work:** Second Party will provide the necessary support to the student's community to complete their projects and the research works.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid for a period of 1(ONE) years until it is expressly terminated by either Party on mutually agreed terms, during which period, either parties, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of either parties after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdictions
